Online Learning Courses

- The online learning courses shall be made available on the SWAYAM.
- The SWAYAM shall notify to the Registrars of all the Institutions, on 1st June and 1st November every year.
- Identify the course, within 4 weeks from the date of notification by SWAYAM,
- Keeping in view their academic requirements, decide upon the courses which it shall permit for credit transfer.
- Allow up to 20% of the total courses(credit) being offered in a particular program in a Semester.

While selecting MOOCs courses

- While making this decision, the Academic Council may, consider allowing online courses of SWAYAM if:
- There is non-availability of suitable teaching staff for running a course in the Institution or
- The facilities for offering the elective papers (courses), sought for by the students are not on offer in the Institution, but are available on the SWAYAM platform.
- The courses offered on SWAYAM would supplement the teaching-learning process in the Institution.
